LINDBERGH SCHOOLS FOUNDATION JUNIOR BOARD

We are thrilled to share the incredible achievements of the Foundation Junior Board over the past school year. This dedicated group of young leaders has worked tirelessly on mission-critical initiatives to support our community and schools.

Highlights from the Past Year:

Event Participation: The Junior Board volunteered at a variety of events, including Lindbergh Schools Opening Day, the Alumni Awards Banquet, Scholarship Night, LHS Open House and Community Breakfast.

Fundraising Activities:

- Hot cocoa sale raised \$103 for Toys for Tots.
- A bake sale generated more than \$856 for the Lindbergh Lights the Way Summer Cafe Program.
- "Valentine's Movie Night" for children in grades K-6 raised more than \$600 for their general fund. They watched "Rio" and offered a variety of activities such as crafts, coloring, and games. While the kids were entertained, parents were able to enjoy a well-deserved date night!

Membership Growth: In March 2024, more than 70 students applied to join the 2024-2025 Foundation

Junior Board. After much deliberation, this year's board will have 37 members, with 24 students returning and 13 new students! Many congratulations to our newest members!

Board Retreat: Junior Board members recently participated in the 2024 Foundation Junior Board Retreat, where they planned their calendar for the next school year, met new members, and learned more about the responsibilities of serving on a non-profit board.

We are immensely proud of the Foundation Junior Board's accomplishments and grateful for your continued support. Your contributions make it possible for these young leaders to develop and make a meaningful impact in our community.

Thank you for your generosity and commitment.

Sincerely,

Our Achievements:

Supporting Families:

- 93 families fed through Summer Cafe
- 11 students and families received help with costs for school activities
- 18 students received supplies through the College & Career KickStart program
- 61 families received gifts through the Giving Tree program
- 17 families received help with their utility bills

Student Activity Support: Your contributions covered fees for activities including:

- Cheerleading Camp
- Band Camp
- LINK Crew

And much more!

Holiday Season: Your year-round support has been invaluable. During the Holiday Utility Campaign, we received over \$5,000 for our Utility Program. Additionally, over \$3,000 in cash donations and \$25,000 in clothes, toys, games, gifts, personal care items, and gift cards for groceries and gas were given to Lindbergh families through our Giving Tree Program.

Student Scholarships: We awarded \$500 scholarships to two graduating Lindbergh students who demonstrated a commitment to serving others and are pursuing education and training in philanthropic fields of study or work.

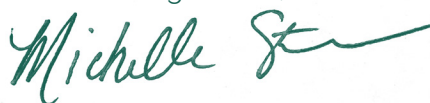

College & Career KickStart: Our College & Career KickStart Program was able to support 18 LHS seniors this year. This program is vital in providing essential school supplies, personal care items, and dorm supplies to graduating seniors who otherwise could not afford these items.

Summer Cafe: Over 800 Lindbergh students rely on free school lunches during the school year, and the recent surge in food prices has increased the financial burden on many families. In response, our Lindbergh Lights the Way - Summer Cafe program has doubled the number of families we serve. Volunteers deliver meals to more than 100 Lindbergh students once a week throughout the entire summer, ensuring that

these children receive the nourishment they need, sometimes their only meal of the day.

None of this would be possible without your incredible support. Your generosity has touched countless lives, providing essential assistance and hope to many in our community. Thank you for being a beacon of light for Lindbergh students and their families.

With heartfelt gratitude,

LINDBERGH RETIRED EDUCATORS

We are delighted to share the accomplishments and memorable moments of the Lindbergh Retired Educators (LRE) organization over the past year. Established in 1985, LRE provides a continuing connection for all retired Lindbergh employees and is open to anyone who has worked with or on behalf of students in Lindbergh Schools. Our organization serves its members in various meaningful ways:

- **Staying Connected:** We offer opportunities to stay in touch with colleagues and coworkers and keep abreast of district events.
- **Advocacy:** We work on behalf of our members regarding health insurance and pension matters.
- **Legislative Updates:** We inform members of important legislation affecting our retirement and schools.
- **Volunteering and Service:** We organize initiatives, scholarships, and service opportunities to make a difference.
- **Social Events:** We plan events and outings to foster fun and camaraderie. We kick off each year with our LRE Lunch!

Back to School Luncheon attendees gather for a smile. Attendees enjoyed a delicious taco bar catered by Lindbergh Southwest Food Excellence

LRE Chairperson Robbie Engel (Center) with LRE Scholarship Recipients (L-R): Charlotte Luczak, Lucy Kraft, Carrie Maschmann, and Natalie Thomas

Highlights from the Past Year:

Back to School Luncheon: Held on Aug. 21, 2023, at Lindbergh High School, this event had over 110 attendees—the largest turnout ever. Dr. Tony Lake, Superintendent, delivered an inspiring keynote on “Listening and Learning.” The highlight was guided tours of LHS’s new construction, showcasing innovative learning spaces and modern amenities, rekindling memories, and offering a glimpse into Lindbergh Schools’ promising future.

Fall Fun Lunch: Last fall, a small group of retired Lindbergh friends gathered to share summer adventures, reconnect, and think about those still teaching starting their new school year. It was a joyful way to kick off the school year!

Signature Parties: Our members hosted several "Signature Parties" at their homes to raise funds for LRE Scholarships. This year's events included the Route 66 Party, the Wine and Appetizers Party, the Crazy Bridge Party, and the Beatles Sing-Along Party. These gatherings were not only fun but also successful in raising scholarship funds.

Holiday Merriment: Our festive Holiday Merriment celebration featured an array of lovely auction baskets that successfully raised funds for scholarships. Guests enjoyed reconnecting with old friends while indulging in a delicious buffet by Royale Orleans.

Spring Fling: Benefiting Angels' Arms, this event saw 65 attendees enjoying a beautiful day, catching up with friends, and a delicious lunch. Foster moms from the Angels' Arms homes in the Lindbergh District shared the impact of LRE's support. Our four LRE scholarship winners and their parents were special guests. We raised nearly \$2,200, benefiting Lindbergh Angels' Arms Foster Homes.

We are immensely grateful for your generous support, which makes all these activities and our mission possible. Your contributions ensure that we can continue to provide scholarships, support volunteer initiatives, and foster a strong, connected community of Lindbergh retirees.

Thank you for your ongoing commitment and generosity.

Sincerely,

Breakfast**

WE ARE THE ROOTS
NURTURING POSSIBILITIES. CULTIVATING SUCCESS.

With this year's theme, ***"We Are The Roots. Nurturing Possibilities. Cultivating Success,"*** we welcomed our guests to be part of the roots that nurture possibilities and cultivate success for our dedicated staff and inspiring students. Through the generous support of our donors and sponsors, the Foundation has been able to create opportunities that extend beyond the classroom.

Emcee Todd Thomas introduced Gifted Education Teacher Jennifer Syrett, who shared how she used a Foundation grant for her Green Room and video accessories

Above and Beyond Award honorees representing Commerce Bank include: (L-R) Justin Miner, Dena Thompson, Blake Brown, and Jodi Clinton, with Lindbergh Schools Foundation President, Steve Young

These opportunities include funding for innovation grants, scholarships, and programs that provide students with real-world experiences, preparing them for future success. At the breakfast, educators shared inspiring stories of how donations have been utilized to enhance learning experiences, such as advanced technology in classrooms, unique extracurricular programs, and resources that help students excel academically and personally. By nurturing possibilities, we are cultivating a generation of confident, skilled, and successful individuals who are ready to make a positive impact in their communities and beyond.

Commerce Bank received this year's Lindbergh Schools Foundation Above and Beyond award, recognizing their outstanding commitment, generosity, and support of the Foundation's mission: to advocate for excellence in all facets of education at Lindbergh Schools. Congratulations to Commerce Bank, and thank you for your continued support. Your dedication and generosity have truly gone above and beyond, significantly impacting the lives of our students and educators.

CELEBRATING THE BACK-TO-BACK "RACE TO BREAKFAST" WINNERS: TRUMAN MIDDLE SCHOOL

Each year during open enrollment, Lindbergh staff members are able to contribute a small amount from their paychecks to the Lindbergh Schools Foundation. If every staff member donated just \$1 per pay period, the Foundation could raise over \$20,000 annually! These funds support initiatives like Scholarships, Innovation Grants, the Student Leadership Fund, and the Field Trip Fund.

Over the past five years, a friendly competition among our schools has fostered camaraderie and school spirit. The school with the highest percentage of participation wins a special breakfast served by Foundation Board Members, Superintendent Dr. Tony Lake, and the administrative cabinet. Truman Middle School excelled in 2023 with a 60% participation rate, earning back-to-back wins!

To our dedicated Lindbergh staff members: Your hard work and commitment to our students and community are deeply appreciated. Your annual donations are more than financial support; they represent an investment in our students' future and the continuous improvement of our educational experiences. We know how hard you work for every penny you earn, and are so very grateful for your support!
